2023-2024

At Kennedy Dance Theatre we believe in the importance of exposing all children and adults to the arts and nurturing this as a lifelong appreciation. We are dedicated to offering classes with a high standard of technique, style, and performance. Our mission at KDT is teaching excellence in dance and instilling values for life.

Statement from Mary Lee Kennedy; President

I want to emphasize that KDT is a Christian based Dance School. While everyone may not profess a Christian faith, we share the common values of age appropriate music, movement and modest costuming for students. Personally, I want to honor God through my business and my art. I give Jesus all the glory for enabling me to celebrate my 50th year.

Let us praise the Lord with dance. Psalm 149:3

Let us encourage one another to love and good works. Hebrews 10:24

KDT Policies and Procedures

1. A yearly registration fee applies to all students. Tuition payments are based on a 38-week calendar year with 9 equal payments (Sept – May) and 2 weeks in August. There is no reduction in tuition for holidays. The number of weeks in a month varies, additional tuition is **not** charged for months with 5 weeks.
2. **Tuition is auto drafted on the 1st of each month. All accounts must keep a current credit card on file.** Accounts will be notified via email if tuition payments cannot be processed. **Payments made after the 10th will include a \$20 late fee.**
3. **For accounts 30 days past due, a \$25 per month will be charged and classes discontinued.**
4. If a student must discontinue classes, KDT office must receive a **30 day written notice** before the 1st of the month to avoid billing for that month. Customers are responsible for all tuition until notification is received. There is no pro-rating for unused classes. Informing only the teacher is not an acceptable form of notification; you must notify the office.
5. Classes are billed monthly, regardless of attendance. **Missed classes or cancelled classes due to inclement weather or circumstances beyond our control are not pro-rated** or refunded. Holiday breaks are not included in billing cycles; however, students may attend a make-up class within 30 days of the missed class. **Two make-up classes are permitted for illness or family emergency per semester.** If a student is temporarily out for an *extended illness or travel*, notify the office so billing does not continue during that time.
6. **ALL FEES** (registration fee, tuition, recital, costumes, graded fee, competition, etc.) paid to KDT, are **NON-REFUNDABLE**.
7. KDT has a **required dress code** to attend classes.
8. A minimum enrollment is required for classes to be maintained and wait lists are kept current for new classes.
9. Students are placed according to age, years of study and ability. All class placements are based on teacher recommendation. KDT instructors have the authority to change a student's class placement if they determine that it is in the child's best interest to be moved. Students are evaluated continuously throughout the year.
10. **Any concerns/complaints** about KDT will be brought directly to Mary Lee Kennedy, not to other parents, students or social media. Non-compliance of this policy will result in dismissal from the dance school.
11. KDT emphasizes the dignity of each student and, in turn, students are expected to conduct themselves as ladies and gentlemen and to treat faculty, staff, and fellow classmates with respect and courtesy. Behavior that is a distraction to fellow students or threatens the safety of others is unacceptable. Parents will be consulted if a problem arises. If inappropriate behavior persists, the studio may ask students or parents to leave the facility at any time with no refund of fees. KDT reserves the **right to dismiss** any student/parent from the studio who is continuously disruptive.
12. Graded student phone policy: Phones should be kept put away in student's bags while in class, during breaks, rehearsals, performances, and other studio events unless they are being used for: homework, necessary communication with parents, finding subs for assisting last minute, choreography video review, playing music within the dance rooms for working on choreography, videoing solos/choreography. There should be NO videos or photos taken in the green room or bathrooms while at the studio. NO social media should be accessed at KDT (Tik Tok, Snap Chat, Instagram, Facebook etc..). No Tik Tok videos should be made at the studio or any KDT events.
13. KDT requests that you keep us updated on appropriate contact information including email addresses, phone numbers and physical addresses so that information may be received in a timely manner.
14. Posting of choreography and dances on social media must be properly credited with the dance title, studio name and choreographer's name and should not be posted until after the routine has been performed for the last time of the season.
15. I knowingly and freely assume all such risks related to illness and infectious diseases, such as COVID-19, even if arising from the negligence or fault of the Released Parties.
